Personal and individualized

When it comes to everyday banking transactions, do you also expect to receive personalized advice that leaves no wish unfulfilled? We want to enthuse you in every respect.

Even day-to-day banking needs can lead to a pleasant experience. At our modern facilities at Zurich, you can enjoy being advised personally by our experienced team of specialists. You can choose from a wide range of classical banking services.

- We offer current accounts in all major currencies.
- Our minimum account size is CHF 250,000 or the countervalue in other currencies.
- Accountholders can be natural persons or legal entities.
- We offer pseudonym and numbered accounts (i.e. the client's name is known to only a small circle of people within the bank, and no identifying information appears on bank statements or other documents).

Moreover, with VP Bank e-banking you can administer your current and securities safekeeping accounts directly from wherever you might be – round the clock, easily and conveniently.

Should your ec/Maestro or credit card be lost or stolen, please get in touch immediately with the following liaison offices:

Telekurs/Bankcard Center (card blockage)
